“It is essential to labor with order, **following an organized plan** and a **definite object**. No one can properly instruct another unless he sees to it that the work to be done shall be taken hold of **systematically and in order**, so that it be done at the **proper time...well defined plans** should be freely presented to all whom they may concern, and it should be ascertained that they **are understood**. Then **require of all** those who are the head of the various departments to **cooperate** in the **execution** of these plans. If this sure and radical method is properly adopted and **followed up** with interest and good will, it **will avoid much work being done without any definite object, much useless friction.**” Evangelism, p. 94

* Item # 2 – DE Zone pastors will choose their local Facilitator.
